Lab checklist

Location, trunk, and number plan exist before the first DID.
Transport matches on both ends of the trunk.
Inbound flow and in-queue flow are published.
Queue members are On Queue and under utilization.
Emergency class and route have a named owner. Do not place a surprise live emergency call.
Confirm before relying. The cited page wins.
This is an independent, free, learning-only student project. It respects every company and vendor, and every t
